## KidsArt Classes

*Students will not only learn the basics and finer detail of drawing and painting, but will also be introduced to the works of some of the world's most famous artists. Students will learn to work with acrylics and other material. They will also learn about colour, value-pattern and composition. All materials used are non-toxic.*

- The class fees are R500 per person per month payable in advance.
- This entitles you to 4 or 5 weekly scheduled sessions per month.
- There are a number of months in a year where there are 5 weeks. These additional classes in these months will make up for 2 weeks over Christmas and New Year when the studio will be closed.
- We have classes regardless of Public Holidays and school holidays except for the 2 weeks after Christmas and New Year.
- All materials used in class will be provided, including small canvasses which the student will take home when complete.
- Each teaching session is 1 hour long.
- Drawings (in pencil and colour) will be done in an Artist's Sketchbook that will be sent home with the child when it is full, and a new one supplied.
- Payment required on enrolment and subject to availability of seats

### The Painting Cave KidsArt Classes:

#### Wednesday

3pm - 4pm

#### Friday

3pm - 4pm

Please send me an email to request an enrolment form
